THE ENLIGHTAINMENT CORNER

(Word play, keep moving. There's something for everyone.)

- **HEY, KEEP ALL HANDS OFF OF OUR BLINDS!** Apparently, our prior irreverent plea was so entertaining the point was lost on SOME folks – namely, those with undisciplined KIDS. Hence the direct approach. Don't take offense, just take notice. And, for THOSE folks who already have slipped into a too-many-words-induced coma: **HEY, KEEP ALL HANDS OFF OF OUR BLINDS!**

- Everything is fresh including a few of the guys at the end of the bar.

- We reserve the right to add gratuity for parties of any size.

- If you feel the urge to consume non-Moto food in any of our dining areas, fight it; or pay a "dork" fee of \$3.00.

- The devil near the entrance is: 1. a limited edition print from a painting by local artist Joe Sorren (joesorren.com). 2. Vince's baby picture. 3. a mirror. 4. all of the above.

- No matter how much you like-like your Lady Gaga ringtone or how supercilious you feel because someone wants to bend your ear, the rest of us don't give a...shhh! Keep your phone on vibrate while dining in our restaurant.

- The Moto Underground is neither a rapid transit system nor a radical movement, but it will move you.

- Oh, one more tidbit: For those of you who missed "that" day of Sex Ed, the circle with the arrow denotes boys and the circle with the plus denotes girls. However, ignorance is a viable excuse if you accidentally expose your inner perve.
